

HARBOR LIGHT

Volume 41, Issue 5

* MONROE BOAT CLUB *

May 2016

**Club Commodore,
Kathleen Powers**

**Vice Commodore,
Rob Schneider**

**Rear Commodore,
Scott Fuller**

Greetings from your Commodore! Spring is here! I am looking forward to getting the boats ready for another season.

Thank you to Power Fleet Captain Kristen Whittico, Kim Fuller, and the Auxiliary for coordinating and serving the visiting bus trips. Windsor Yacht Club (Canada), Elba Mar Boat Club, and Nugent's Canal stopped by on Saturday, April 16. MBC welcomed 5 bus loads (nearly 150 people), and a good time was had by all. THANK YOU to all who donated appetizers and helped set up, service and clean up.

I regret to inform the membership that Grant Kozlowski has resigned as Dock Master. We wish to thank him for his talents and the generous amount of time he spent on the docks. When you see Grant, please take a moment to thank him for his efforts.

Troy Willett has been appointed the Interim Dock Master. We are seeking someone to assume the duties of Sail Fleet Captain for the remainder of the year. If you are interested, please contact Troy or me.

On a more serious note, I would like all members to review Article 1, Section 2: The object of this club shall be the promotion, protection and encouragement of boating for pleasure and sport, **with emphasis on good fellowship among its members.**

When R/C Scott Fuller assumed office, many of you asked him to clean up the persistent use of profanity, acts of vulgarity, conduct and excessive noise in the bar. Club members desired a professional, collegial and family environment in which members and employees are treated with respect and dignity. MBC is a private boat club with a beautiful marina, club house & bar. Membership is a "privilege" not a right. The bar is not a longshoreman hangout where unbecoming conduct is the rule not exception. Each member has a responsibility and duty to help maintain this desired environment. If you are present and observe behavior that disturbs the peace and tranquility of the club, and do nothing because you do not want to be involved or you like the person, then you are **CONDONING** the behavior. Your silence encourages a hostile environment for both the members and the bartenders.

You cannot expect one person, R/C Scott Fuller, and the bartenders to maintain good conduct and order without your help. Remember MBC House Rule #10: the Rear Commodore or bartender on duty shall receive respectful cooperation from all Club members and guests in maintaining reasonable order, discipline and/or decorum in the Club House. Recent events in the Club House did NOT depict this nor good fellowship among MBC members. I would also like to take this opportunity to remind members that

Hello Monroe Boat Club Members! The weather has finally warmed up and our boats will soon be getting wet. It is exciting to anticipate the start of the boating season once again.

The Knabusch property team and House Committee have arranged to start the clean up on the property. A dumpster is being delivered on Friday, May 6 and will be there until May 16. I am planning clean up and work days for Fri and Sat, May 6th and 7th, and also for Thu May 12th through Saturday May 14th.

We also have a number of clean up items to be done on the new property. I am asking for volunteers for these items on the days identified above:

- Remove debris and clean the interior of both buildings, other than garages.
- Re-secure all loose wood siding, soffit and fascia on all the structures, to prepare for siding or painting them
- Remove and dispose of unsafe fire pit and flue pipe from the creek house and repair roof as required
- Install new lines on our main flag pole with new flag anchors

The additional items that we plan to have done during May and June include power washing the front and back decks and assess the need to replace or seal them, and paint all buildings "club house grey" to match appearance. The next House Meeting is Friday May 6st at 6pm in the Commodores' Room.

The next Regatta planning meeting is Thursday May 12th at 6pm in the Commodore's Room. Please plan to get involved again and support the club.

I am looking forward to getting our club ready for the season, together!

Happy Mother's Day!

Commodore continued.....

MBC has a Resolution Against Discriminatory Practices and Sexual Harassment Policy. Any member who feels they are being sexually harassed should promptly notify the offender that his/her behavior is unwelcome. If the individual does not wish to approach the offender, then he/she should immediately file a written grievance with the Commodore, Vice Commodore, and/or Rear Commodore. MBC will not tolerate retaliation against any individual who makes a report of sexual harassment. MBC will maintain a complete written record of each complaint and how it was investigated and resolved.

Greetings from your R/C. We've had quite month with four incoming bus trips! I'd like to thank the members and staff for their support in providing food for the visitors. A special thanks to the bar staff for stepping up to make our destination a pleasant experience. We received many favorable comments on the friendliness and outstanding level of service in handling a large crowd.

Boater's Breakfasts began Apr 24, and continue on May 22, Jun 26, July 17, Aug 28, and Sep 25; remember the fourth Sunday of the month (except July which will be third Sunday due to Regatta).

I'm still looking for a volunteer once a month to help with some light housekeeping to vacuum rotating fans, return air vent, and HVAC registers. This will involve about two to three hours on a monthly basis. A sign-up sheet will be placed on the bulletin board.

On a more serious note, I was contacted before taking office that a very big concern from many people was the "environment" of the club, especially at later hours of operation. The concerns were many. Some were language issues, some were conduct issues, and some just considered the lack of respect shown toward our fellow members as nothing short of pathetic and disrespectful. I have accepted the concerns as a mandate to work on these issues. One thing I have experienced in confronting these issues is that I feel as though I am standing alone when it comes to being serious about changing things where personal conduct is involved. The overall general attitude seems to be, "I really didn't see anything or hear anything". What may have been originally a language issue has progressed exponentially. This club has progressed from a language issue to physical contact, sexual imposition and gross sexual imposition bordering on battery (and it is not just "bordering on").

People, I can not and will not confront these issues and not have the support of the general membership and especially our board. In other words, if you want something to change, you must step up for the overall good of the club and not just complain. I can not and will not do it alone. If you are not willing to step up and support the efforts for change, please don't complain when nothing changes. I will no longer enter into the waste of hours on "he said/she said or she said/she said or he said/he said or she said/she said." This is a frustrating waste of time and I will no longer be a part of it. To all of the members and Board-it's your call.

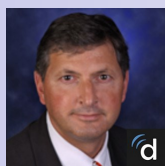

See you around the club!

Club/Community Events Committee, Charlotte Neuhauser

ACTIVITIES

- **Apr 30: Beach Cleanup Day, Bolles Harbor Public Launch**
- **May 3: 6-7:30, Karsts Presentation**
- **May 4: MBC Book Club, 12:00**
- **May 7: Joy of Eating and Drinking**
- **May 7: 9-12 am, Garlic Mustard Pull, Sterling State Park**
- **May 14: 9-12 am, Garlic Mustard Pull, River Raisin Battlefield**
- **June 6-7: Environmental Career Day for 7th Graders**

Our special thank you to Dr. Darius Mehregan for the time he spent with MBC members on April 14. About 27 attendees enjoyed a wonderful, conversational presentation informing them of various forms of skin damage, primarily through sun exposure, including cancerous and non-cancerous forms of damage. The presentation included illustrations and key points considered in diagnosis and treatment. We also thank Mike McCormick for suggesting Dr. Mehregan as a speaker. Please provide us with suggestions for programs you would like to see us offer.

Book Club. May 4, 12 noon. "We continue to have a great group each month, and we enjoy our discussions and lunch together. We encourage anyone who might be interested to join us at MBC at noon on the first Wednesday of each month." (Judy Peterson leads the group, and you are invited whether or not you've read the book.)

The Joy of Eating and Drinking, May 7, 5-7 pm. It's time to sign up for the Joy of Eating and Drinking!

The sign-up sheet is on the bulletin board in the lounge; also be sure to respond to the email survey. This event is open to members and guests and limited seats are available so get yours early. This year's offering is a great value - the \$20 per person admission provides an entertaining evening, access to over 60 items, including 9 drink samples (equivalent of 3 drinks, \$10-12 value), a huge variety (40+) of open appetizers (a \$10-12 value), 5 entre samples (\$5-6 value), and open desserts (\$5-6 value), yours to eat and enjoy until it's all gone!!

That's a \$30-36 value for the low price of \$20. Your committee hopes you'll consider donating a dish (of course you'll earn 2 work hours - the value just keeps getting better!), and looks forward to a full-house on Saturday, May 7 from 5 - 7! See you then!

Saturday, April 30, 2016 - Cleanup Day.

9:00 am to 12:00, Bolles Harbor Boat Launch (across from Trout's Yacht Basin). Join the Michigan DNR and help clean up the local launch and wetland areas. Cleaning up the area makes them safer and more habitable for wetland

species. Everyone is welcome to participate, but children must be accompanied by an adult.

Garlic Mustard Pull. Can you help the Michigan DNR remove the invasive Garlic Mustard plant from two sites? May 7, 9-12, Sterling State Park, and May 14, 9-12, River Raisin National Battlefield park. No registration is required.

Introduction to Karsts....Did you know that karst terrain forms where water has dissolved and eroded soluble bedrock, particularly carbonate rocks such as limestone and dolomite, and gypsum, by enlarging cracks into underground conduits that can enlarge into caverns and sometimes collapse to form sinkholes? Sinkholes in Monroe County drain water that resurges from the Great Sulphur Spring in Lake Erie. Learn how these caves affect water resources and topography of the region on May 3, 6-7:30 pm at the Summerfield-Petersburg library, presented by Ned Birkey and Rane Curl.

Sail Fleet Captain, Troy Willett

Hello and greetings from the rail! You may have heard I have stepped down from my duties as the Sail Fleet Captain to assist the club as Dock Master. I will still help the Sail Fleet as needed and am looking for someone to step into the role. Let me know if you are interested and I will be happy to discuss in more detail. I want to thank all the various people who have helped the Sail Fleet and me in the past. We have such a wonderful club, and the support and encouragement from everyone has been greatly appreciated.

Speaking of, what a great job Dan Williamson has done on the Pavilion Project! It looks great and is nice to see the work being completed. Next time you see Dan, give him a pat on the back or a drink chip.

The racing season is quickly approaching. Please join us on Tuesdays and run your boat around the buoys. John Davis is our racing chairman again this year and a big thanks goes out to him for helping once more. For those of you considering racing, please make sure to get your insurance information and updated PHRF certificate to John along with payment terms before the first race of the season. Our Shake-Down race will be May 10th and our first race of the season will be Tuesday May 17th.

The Sail Fleet will be meeting on Saturday, May 7th at 4 pm to go over the Race Committee rules, regulations, operation of the cannon, tips on anchoring etc.

This will be about an hour in advance of the much anticipated "Joy of Eating" event in our banquet room, hosted by the CCEC.

So come on out, learn a thing or two about how the Race Committee works, and then head into the club to enjoy the culinary delights as provided by our CCEC.

I look forward to seeing you around the club.

Auxiliary, Michele Lachcik

Wow, spring has finally arrived and it is supposed to be a nice weekend! Maybe we will finally be able to get our boats out and ready for the water.

The Auxiliary is hosting a Wine Glass Painting Party on Friday, April 29th beginning at 6:30pm. Please sign up for this event if you plan on attending. We would like to be able to give our instructor, Betzi Lievens, an accurate head count so that she will know how many glasses and supplies to bring. Please invite your friends to join in. The sign-up sheet is in the bar area and the cost is \$20. Please bring an appetizer to pass. I hate to see what my wine glasses will look like, but it will be a lot of fun!

A Steak Roast is scheduled for Saturday, May 21st, chaired by Fred & Celeste Hoi-tash, and Jim & me. If you are interested in helping, please contact Celeste or me. We could use some help and would really appreciate it. Also, I believe we will have some form of entertainment that evening.

The following weekend is Memorial Weekend and as most of you know, MBC holds a Memorial Day Service on Monday, May 30th. The Auxiliary will host a Memorial Day brunch immediately following. This year, Judy Peterson will be chairing the brunch and is looking for volunteers to donate fruits and also cakes/cookies/muffins. If you are able to make a donation, please contact her at (734) 242-5792 or (734) 755-3798. You will earn two work hours for each donation.

The Auxiliary will be chairing Burger Nights for the month of June. A sign-up sheet will be posted on the kitchen door in the near future. Please come out and support your club.

It may be early, but we are in the pre-planning stages for Regatta the weekend of July 22nd & 23rd. The Auxiliary will be in charge of the food tent. In addition to our usual food tent fare, Nick & Nino's food truck will be taking over Saturday afternoon and evening offering up some delicious Mexican food. We will need volunteers to help out with the food tent.

Remember, that anytime you volunteer to help with an event or make a food donation, you earn valuable work hours towards your membership dues. Volunteering is also a good way to meet and make new friends within your club.

The next Auxiliary meeting is Wednesday, May 11th with the Board meeting at 6:30pm & General membership at 7:00pm. Please join us to see what the Auxiliary is all about.

There is not much more to report this month, and I hope the weather warms up soon. Hopefully the boat will be floating before the next article.

See you around the club!

Power Fleet Capt. Kristen Whittico

Hello Monroe Boat Club Members and Auxiliary! It looks Like the boating season is right around the corner and it won't be long now! I am eagerly anticipating how much fun the Poker Runs and cruises will be and excited to see you there too.

In fact there will be a couple of shake down cruises headed our way the weekend of May 20th. First, Sun Parlor will arrive for the weekend on Friday the 20th and leaving at noon on Sunday May 22nd. After their departure, we will have 4 boat clubs coming to visit for a few hours as well. It should be a very fun and an exciting weekend.

The bus trips that came to visit on April 9th were a lot of fun; we had four clubs in five buses. Everyone seemed to have a fantastic time and I enjoyed meeting so many great people. On April 16th Nugent's Canal came for a visits and that was fun too. I want to thank the Auxiliary and general membership for their donations of appetizers and finger foods, truly none of these events could be a success without the help and support from all of you! Knowing that there so many great folks always willing to chip in and help out, makes me proud to be a member of the Monroe Boat Club.

Once again, I am excited to see all of

you attending the Poker Runs and club cruises this year, and see you around the club.

Dock Master Troy Willett

Hello and greetings from the dock! As some of you may be aware I relinquished my position on the Board as the Sail Fleet Captain to step in and help out as the Dock Master for the remainder of 2016. I would like everyone to take a moment and recognize Grant Kozlowski for the tremendous amount of work and effort he performed in just a few months' time. I hope to be able to step in and help out and be half as successful as he was. Thank you Grant!

As I attempt to carry the torch and get acclimated to the job at hand there are a few projects in the works. It has been a busy year already and many docks have been repaired and fixed and there are many more repairs to come in the future. We have consulted many marine contractors and engineers and are doing what is right by the club to ensure everyone's safety and well-being. That said, and although our docks are older and have some areas that need attention, I would like to make sure that everyone knows our dock system is still safe to use and will only continue to improve in health as we make further repairs.

By the time this article is released we should already have had at least one dock party to lay down some decking material on the (4) docks that were built and installed over the winter. There will be at least one more dock party as we make sure all the dock posts are in and that the safety ladders are installed. If you see or need something relating to the docks that need attention don't hesitate to give me a call or an email.

Thanks for any and all support and I will see you around the club.

MBC 2016 Regatta – Live Auction Segment

The MBC Live Auction will be Saturday July 23, 2016 at 4:00 p.m. Same location as in the past, under the big Regatta tent in the gated parking area. We will start accepting donations the first week of June, once again using the building closest to the MBC clubhouse on the acquired Knabusch property for item storage and staging. Check with Rob Schneider or Jim Alban (contact info below) for particulars regarding item/s drop off.

Thanks to the support of the MBC membership and all MBC elected/appointed officials of all boards, committees and supportive organized groups (both past and present) the Live Auction has steadily grown over the years. To accommodate the increasing needs of the auction a “Regatta Live Auction Committee” is being formed. Several members have expressed their desire to serve on this year's RLAC. If you are interested in being a part of this committee please contact me via my email: jalban@mwbauctions.com (preferred) or my cell: 734-625-3009. We will have a meeting on Monday May 23, 2016 - 7:00 p.m. at MBC. Thank You! Jim Alban-Auction Coordinator

Friday April 29-Sunday May 1

Demos

More than 70 boats will be on display and most will be available to qualified customers for demos on Lake Erie.

Beer & Wine Tasting

On Saturday sample the latest offerings from Great Lakes Brewery and on Sunday sample craft beers from Catawba Island Brewery – proceeds fund scholarships from the LEMTA Educational Foundation.

Steve Brownell

Singer, songwriter, performer and island regular Steve Brownell will provide entertainment each day, including songs from his recent Nashville album “No Matter What.”

Discover Sailing

Free sailboat rides will be provided by licensed captain with Huron-based Harbor North.

Island Area Exhibitors

Over 30 displays of island area businesses offering service from electronics to real-estate.

The Joy of Eating and Drinking 2016

5:00-7:00 PM May 7th, 2016

(Doors open at 4:30 PM for tickets and seats – Presentations to begin at 5:00 PM)

Advanced reservations required – 70 attendee maximum

Visiting club members: Please RSVP by April 30th to Don Blouin don.blouin@att.net

Sampling Selection – Agenda and Menu

The 2016 boating season is here and it's time to start thinking about our summer social lives! Join us to sample and learn about wonderful combinations of beverages and foods you and guests will enjoy.

Have you ever hosted a party and been uncertain about plans for cocktails and appetizers? Wondered what beers would be best and what snacks would go well? Or, what would be an interesting wine or wines to try perhaps with cheese or something else? Curious about what spirits and mixes go well together and with what foods? Not to mention, what is best in the winter or summer? Join us for a fun evening of Sips, Snacks, and Savories and get some answers!

Speaker – Jonah

Flick's Package Liquor Inc
3320 W Sterns Rd, Lambertville, MI 48144
(734) 854-2000

The format includes 3, 10 minute mini-sessions with a speaker sharing beverage/food information, followed by 20 minutes of hands-on beverage and food samplings. The low \$20 per person admission fee provides a wristband allowing you to enjoy an open buffet of hot and cold appetizers, 9 beverage tickets (1 ticket per beverage sample), 3 tickets for entrée items, and an open dessert bar. Additional tickets will be available for \$1 per 1 ticket, each good for 1 beverage sample or entrée item.

As you listen to the presentation and before you request beverage samples, please circle your choices.

Reminder: Each of the 9 tickets may be used to request 1 beverage sample during a session. Each session will include 3 beverage samples. Extra beverage tickets providing 1 sample can be purchased for a low \$1.

Topic	Tentative Timing	Beverage Sampling Selections and	Food Sampling Selections

Storage Lot Items

Temporary Spring Boat Staging

You are welcome to prep or "stage" your boat in the MBC storage yard as you transition from your winter storage area.

MBC will charge the \$ 3.00 per day fee as published in the 2015 Roster/Bylaw book on page 41, Sect. 11.1.

If you do not want to incur this charge, please ensure your boat is staged on the commercial storage facilities grounds.

We are cooperating with the neighboring marinas on this and appreciate your cooperation with the MBC Yard Master.

Trailers/Racks on the Easement

We will be fencing in the storage yard within the next two months. There are 22 trailers and one boat rack currently on the easement along Lake Street that we do not know ownership nor are they paying storage fees. These items will be moved into the fenced area and investigated for ownership and potentially disposed of.

If you have an item in this area or know someone who does, please let the Yard Master know. This is an ongoing effort between MBC and the MCRC to clean up this section of property.
