

## Club Commodore – Jeff Morrow

Hello fellow members. WOW!! First thing that comes to mind on our Regatta this year. I cannot begin to thank everyone enough for all their hard work and dedication. What an awesome club we have. Thank you everyone for stepping up to the plate. I have heard nothing but compliments. I am afraid to start mentioning names for fear I will leave somebody out, the food was delicious, the bands were awesome, the bar staff handled everything as they always do, very professionally. The Sailor breakfasts were great.

For those of you who got to see the Commodore Reception room, what a class act our Decorating Team & Auxiliary put together. The Dock Team, the Auction Team, the Wagon of cheer that members walked around for Commodore Ball fund (Will not have to do Burger / mix it up Thursdays for the rest of my term lol ) the Set Up/Tear Down /Clean Up Team, the Back-Room Ticket/Money Counting Team, Wrist Band Sales/ Ticket Sales Teams, our Club DJ, THANK YOU, THANK YOU, THANK YOU!! Hopefully I didn't leave anyone out. As members of Monroe Boat Club, we all should be proud of our hard work with the many talented members we have. I know I am partial to MBC, but it was the Hollywood of the receptions (Our theme) that Barb and I have attended thus far this Summer.

So, with that said the nomination / election committee has been nominated and was accepted by P/C Dave Ryan, Don Blouin and P/C Mike Powers. Please get involved to keep our Club moving forward. Let the Committee know of your interest. Chimp Mail will have information

There are drawings in the Bar for a 3-seasons patio with roof and gas fireplace that will be accessible from bar. This project is stirring a lot of interest. I want to form a group of members before that can meet to move on what permits would be needed, break wall tie backs, foundation requirements and liquor license coverage. Anyone that has knowledge of any of these requirements let me know, it may make my job easier

When I get members that want to donate to this project from work hours, money and materials I will take the project to the House Committee and then Finance committee. My goal would be to do this project with minimal money influx from Club accounts. The goal is none. Who doesn't like to sit next to a fire pit? When ready and all the I's are dotted and t's crossed, I will take this project to the General membership. All I can say is time flies while you're having fun and we still have some Summer fun left. Smooth Sailing to all for the rest of our year. Don't forget our web site <http://www.monroeboatclub.org/>.

## Vice Commodore – Fred Hoitash

It is a busy year for us and we are doing what we can do to participate in MBC activities while managing this thing called "life". We were able to go on the club cruise to Seaway Marina at Kelley's Island over the last weekend in June. Never found out who Kelley was, but we had a great time with other club members and left a few dollars for the island's economy. For the newer members that like to cruise, these club cruises are a great way to meet fellow members. You get plenty of social time with members exploring all that there is to see and do. Then there is the quiet and alone time for an on boat at sunset and cold beverage with your best friend. We've gone on several of these cruises over the years and have enjoyed every one.

By the time you read this the 2019 Regatta will be history. While I pray every day for making the right decisions for this party, I am positive for a good outcome, grateful for all of the institutional knowledge being shared, and acknowledge all of the members that have a passion for this event and are so instrumental in making things click. This club is blessed to have members committed to setting up, cleaning the grounds, electrical, food, reception planning, advertising, and the thankless jobs of the ticket and wristband sellers along with the ticket counters hiding out in a closed room all night, along with all the other activities toward the success of this event. I'm sure the party will be grand. Many thanks go out to the dozens of members that make MBC's Regatta one of the best on the lake.

Speaking of Regattas, Celeste and I are going to many of the other clubs' regattas and receptions. We look forward to the ones coming up in August and September. Might even get the boat over to one or two. Going to other clubs Regattas is another way to meet new friends and experience the camaraderie provided by belonging to AYC and I-LYA.

The House Committee met in July and will be meeting every month through October. The meetings will be on the third Wednesday of each month. Any member considering running for Vice Commodore next year should attend these meetings. There will be some projects still pending when the new Bridge takes over in November. At the July meeting, the committee recommended moving two items to the Board for consideration by the finance committee. Several other projects are still pending for either final design or funding. The full report will be made at the August Membership meeting.

Many of us use Amazon for shopping. Amazon has come up with a program to give back to us via charities. Instead of using amazon.com, log into <https://smile.amazon.com> using your amazon

## Rear Commodore – Barb Johnson

Greeting Fellow Members!

Where does the time go? Seemed like yesterday we were gearing up for the Regatta and now it is a fond memory! I CANNOT thank everyone enough that helped pitch in to make this another (non -poker run) successful Regatta. Our members ROCK!! We have

the most awesome bar staff a club can have. The ladies worked their tails off, whatever was asked of them, they did. Mike Anteau I can't thank you enough you kept everything running like a well-oiled machine and the countless hours you helped assisting with setting up and tearing down, thank you! Nicole Kachar, what can I say that I haven't already said, you never cease to amaze me, your talents go far beyond amazing! Not sure who all to thank for the beautiful bar, I do know a fine young man by the name of Carson (April's son) spent many hours and a lot of talent constructing it, and I am sure there were other "Minion's" helping with that as well. Thank you to all

## Power Fleet Capt. – Dan Martin

Hello from the Power Fleet. The summer has been another fun one. Lady Gina and I have been busy with this year's AYC Poker Runs. To date we have attended Toledo Sailing Club, Swan Boat Club and Maumee River Yacht Club. They all have had nice features such as the \$1.98 Beauty Contest. MRYC we liked their pool party. Along with going to the poker runs we have attended many Commodore receptions keeping the weekends busy. I have to say Monroe Boat Clubs Commodore reception was something to be proud of. MBC stood out with the décor, beautiful grounds and delicious food.

As for the MBC Regatta I want to thank the many supporters who donated money for a banner we hung inside the regatta tent. I am in the process of giving the banners back to the donors so they can choose to hang in their businesses letting the community know they support MBC. Mary Sacco also helped us raise needed funds for the Power Fleet and feed the masses. Thanks to Mary for the help. A special thank you to Brian and Todd for assistance with the pizza sales.

## Sail Fleet Capt. – Garry Griffith

July and August are the heart of the club's sailing season. The 52nd Annual Race for the Sisters Race held on July 13th was a huge success...thanks to efforts of race chair Troy Willett and a host of others, and a very steady SW breeze. The race was moved to July and Troy had promised MORE WIND. Please see more details of the event in a separate article.

The 8 race, Mid-Week Spring Series was completed on July 9th. Congratulations to the top finishers:

credentials and choose **MBC-Association** as your charity. You will see that the SMILE account retains all of your information and the prices are the same. The only difference is that a small portion of your purchase is sent to MBC-Association each quarter. It's really a painless way to help grow our own 501(c)3 organization.

The Vice Commodore is sponsoring Burger nights for August. The funding will be going to the special projects fund, again for the electronic perimeter door lock system. Come on out and support MBC. Make it a no-cook night at home and enjoy some of the best burgers around town.

Enjoy the beauty of the lake, the mystery of the sunset and the planets at night from the back of your boat. Marvel at the simple everyday things that just happen. Go on a club cruise. Laugh with a fellow member over boating stories and create memories as often as possible.

"The most beautiful thing we can experience is the mysterious. It is the source of all true art and science." *Albert Einstein*

of you who were instrumental in making that happen, the bar staff loved it!

This is not "bar news" but I would like to say, of all the Commodore Reception's Jeff and I have attended Monroe Boat Club's by far has been the most amazing. Jody Thatcher and the auxiliary knocked it out of the park. Thank you all!

On another note I am sorry to report that we are giving up the Bloody Mary Bar, it just isn't gaining popularity like we had hoped. We will still have awesome Bloody Mary's and Mimosa's but just not the bar. The bar will still be opening at 10:00 a.m. for the month of August.

Katie & Jordan will be playing August 18th and we will be putting something together for that. Mark your calendars, there will be an MBC Trip to Put-In-Bay aboard the Jet Express on Saturday September 28th. \$75.00 per person with a cash bar on board. It will be open to the public. See attached flyer or check out the T.V. screen in the bar for further details. Until next time, Cheers!

We are continuing to go to the Commodore receptions and attend the poker runs. Let's not forget the non-poker run club regattas we squeeze in. Why???? Because its friendly and fun Pleases consider coming to Bayview Yacht Club and Great Lakes Steel Boat Club poker run/regatta.

As we go through August and into September Gina and I are planning our wedding at FYC with a nautical theme. I can not stress how hard is to pare down a guest list as there are so many people we enjoy speaking with and consider friends at MBC. We have tried to bring together some of our MBC friends, family along with friends from some other AYC clubs.

Get involved in the boat club and consider running for a position. It would be great to find a few people who would like to run for Power Fleet Captain. I would be happy to discuss the position and assist anyone for the 2020 year. Call me anytime 734-751-8600.

The Summer Series officially started on July 16th, however the first two races were cancelled due to weather. Any individuals wishing to ride along on a boat that is racing on Tuesday Night should contact me. There are always open spots on sailboats...everyone from

## Dock Master – Brian Manor

Can you believe that we are half way through the 2019 boating season? We still have repairs that need to be completed on the docks this season. I'm waiting for the water to go down enough to schedule a work party to get these projects completed.

## Auxiliary – Jody Thatcher

Hello from the Auxiliary: A big welcome to Carol Smith and Nicole Shaughnessy as our newest Auxiliary members. It's great to have you. By the time you have received August issue our clubs largest event "Regatta" has taken place. Thank you, Vice-Commodore Fred Hoitash and fellow members,

## CCEC Update – Charlotte Neuhauser

### ACTIVITIES

- August 7, 12:00, MBC Book Club
- September 4, 12:00, MBC Book Club
- October 1, 8:00 am-2:30 pm, Maritime Trades Career Day

### MBC CCEC NEWS

**MBC Book Club.** Judy Peterson reports, "Book Club was held on July 10. It was a small group but we enjoyed the day and the delicious lunch. Everyone reported on the book they chose to read for July. Several members decided to put one or more of the books on their "to read" lists. The next meeting will be held on August 7, 2019. The selection for that meeting is THE SUMMER OF '69 by Elin Hilderbrand. Hope everyone is enjoying the summer and that everyone attended Regatta."

## MBC-A (501c3) Update

**MBC-A 600 Race Results...** At 12:35 on the Saturday of Regatta, the 3rd Annual race began when the horn sounded. The course is 600 yards, from one end of the MBC property to the other end and return. Even though this race is focused on kayaks as the means, any human-powered vessel was welcome; however, only kayaks raced this year. Twelve kayaks, both one- and two-person kayaks, men, women, and children, raced this year. A 2-person kayak won 1st place., and all finished the race. Contestants gathered in the picnic area for the awards presentation. Gift certificates from Anglers Fish Camp were awarded to 1st, 2nd, and 3rd place winners in the "professional division." All participants received ribbons. Our appreciation goes to North Cape Yacht Club for use of the racing buoys. A special thank you to Dave Ryan, Don Blouin, and Gary Kaye for organizing and conducting the race, and the racers and supporters for making it a fun event.

**Kids Fishing Derby...** The Saturday morning event of Regatta, in addition to the breakfast by the sail crew, was fishing for the kids. **Forty-nine** children, 5-12 years old, showed up with their parents. It was held at the Knabusch Math/Science Center (across the creek from MBC). There were so many children, we had to divide the group

complete beginners to more advanced sailors...and we can help set you up with the opportunity.

The Ladies Race and Solo Challenge races are scheduled for August 11 and 17, respectively. Sail Fleet is looking for power boaters who are interested in volunteering for Committee Boat, particularly during the weekend sail races. The Committee Boat coordinates the start of the race and records times. Contact me if you are interested in volunteering and receiving work hours.

The final Joint Fleet Cruise of the season is scheduled for Maumee Bay State Park on August 28 - 30. A sign-up sheet will be posted.

Because this boating season is half over, I would like to remind our dock holders of dock rule 8. It states that you must occupy your dock for 30 days during the season to avoid a July 1st launch deadline next year. With that said, please enjoy the rest of your boating season.

for your time and work. The Regatta was a great success. I would like to thank all of those who helped me and all of you who donated food for Jeff Morrow's reception. You are very much appreciated. It's great to see our members enjoying the club. The weather has been great. Enjoy the season. See you at the club.

### Regatta Used Book, DVDs, Games Sale Results

... Yes, many of us read books on our ipads or smartphones, but there are some times when it feels nice to hold a hard copy of a book. It's hard to believe, but a little over 100 books were sold at the Regatta Used Book Tent. The proceeds went to CCEC for the 75th Anniversary of MBC in 2019-2020. One left-over box of books went to the Women's Prison and one box went to the Monroe Library. Our special thank you to Don Blouin and Barbara Valmassei for their valuable assistance with the book sale. Thank you to Rick Boose for the use of his tent again this year. And finally, thank you to those who set up and took down the tent. And, of course, without the great donations we received this year, there would have been nothing to sell...thank you!

into two platoons so they wouldn't tangle their lines. 89 fish were caught with the largest as a 16-inch catfish from the channel. The event was co-sponsored with the Monroe County Intermediate School District and the Department of Natural Resources. All the bait was provided by Anglers Fish Camp, and the awards were provided by Mike McCormick and the Michigan State University Alumni Association. Olga Collino did a wonderful job of lining up and organizing five volunteers from Consumers Energy (Olga Collino, Rocky May, Doug Petee, Don Vannassche, and Dan Vannassche). Our thanks also go to Ron Miller who cleared the fishing site for the 49 kids. We had planned for about 20 children this year, and when 49 showed up, without the volunteers I'm not sure how it would have gone as smoothly as it did. As a result of the five volunteers from Consumers Energy, a donation from the company was made to help cover other costs of the derby...Thank you Consumers energy!! A very special thank you to Nicole Shaughnessy, Director of the Knabusch Math Science Center, and her expertise in organizing the fishing and the children, and Ryan Shaughnessy and Barbara Valmassei for registering the children and handling the concessions, and Don Blouin, the Consumers Energy volunteers, and Cody Ochs

of the Department of Natural Resources for measuring caught fish. Everyone appeared to have a great time!

**amazon smile** Just a reminder! When you order from Amazon, you can have a percentage of your purchase donated to MBC Association!!! All you have to do is sign up! It's painless! And it is an easy way for MBC-A to receive some much needed \$\$\$ for the projects we're offering. The way it works is that once you sign up at <http://smile.amazon.com> and

indicate MBC Association as your charity, Amazon will give 0.5% of the purchase price for each item to MBC-A by depositing it directly into MBC-A's bank account. It does not add to the cost of the item you're purchasing, but it is taken from the purchase price that Amazon receives. The Amazon items and purchase prices are the same as for those you don't purchase through Smile. When signing in to Amazon, simply use the following link <http://smile.amazon.com> to purchase your items. Make sure you are using our charity by clicking on **MBC Association** within the Amazon site.

Depart PIB 7:00 PM  
Arrive MBC 8:00 PM  
Pizza Party 8-9 PM

**MONROE BOAT CLUB 7932 BOLLES HARBOR DR. MONROE, MICHIGAN 48161**

## **Message from Nominating Committee**

The Nominating Committee would like to invite each member to consider the possibility of running for an office and serving your fellow members. Yes, it does take a little time and indeed we are all busy. However don't let those things become excuses. MBC is run entirely by volunteers and we need your help.

The rewards from serving as a Club Officer cannot be measured in financial gain or imagined status; yet you will find serving your club is most gratifying. Being elected to office or serving on an active committee affords the opportunity to learn how our organization functions and participate in its progress.

Please take the time to consider these opportunities. Each member of MBC is eligible to run for and hold any office. Any Board member or Past Commodore would be happy to talk with you to learn more about this rewarding experience.

### **2019-2020 Officer and Board Nominations:**

At the September 16 General Membership Meeting, nominations for the slate of officers will be selected. We invite all members to become involved in managing our club and consider serving as an elected Officer. MBC maintains the publication "*Roles and Responsibilities*" describing the duties of each position to assist you in understanding the functions and obligations associated with each elected office.

Don't be bashful or think you can't do this, because YOU CAN! New members and long-time members will both find serving your club to be gratifying and rewarding. Those who have served in the past have no regrets about the time spent as Officers and/or Board members for MBC.

Please contemplate sharing your talents and time to contribute in an essential way to Monroe Boat Club as we prepare for our 75th Anniversary.

Contact any of the Nominating Committee members below about adding YOUR name to the ballot.

What a great thing it is to be part of MBC!

## 2019 Sisters Race Recap

Dear Members, I wanted to follow up and report on the wonderful success we had hosting the 52nd Annual Sisters Race at MBC. I am still getting glowing comments from sailors around the lake about how well we did and what a great race we put on for them. I'll give some statistics followed by some tongue-in-cheek commentary that will hopefully lift your spirits and smile at how well our club did and wrap it up with the results.

We had (23) boats attend this year, which is almost double what we had only a few years ago. There were boats from (5) different clubs, MBC, NCYC, JRSC, CCYC and TIYC. Monroe Boat Club had (5) boats competing this year, congrats to all the sailors that participated and took home flags. On an interesting note, Toledo Ice Yacht Club had (5) boats participating as well. Who knew those hard water sailors would show up in such force? It was great to have them all and we look forward to more next year. Over half the boats came to us from NCYC. What a great showing from that club!

Race Committee Log, July 13th, 8:45am: There I was, throttle buried, a whopping 6.2 knots of boat speed (hold onto your hat!), heading for the Center Mark to start the race. My RC crew member Lea, made a comment, something about water splashing around by the stairs. Just to be clear, the water was splashing at the stairs in the companion way, not at the swim ladder on the back of the boat! That's when I realized that we were... sinking?!? I hadn't known it at the time, but a cockpit drain hose popped off from the inside of my transom and the faster we went the more water came in the back of the boat. We were able to get the race started then return home to get the boat hauled out at Trout's and jump on another boat to head back out to finish the race. I called Bill LeVally to organize some help while I was getting hauled out. Thanks to Bill he was able to coordinate Dan Williamson and Peggy Hillen to come to the rescue on their boat Tiki Bar. Lea and I loaded up our gear and headed off for the North Mark with Dan and Peggy. As we were approaching the North Mark and getting ready to set the hook, here comes the first boat to finish. We were set up and ready for them only 8 minutes before they finished. Wow talk about all the stars lining up and turning a \$\*#! show into a success story. Thanks Dan and Peggy for saving the day!!!

Dinner was fantastic thanks to the hard work of many MBC members. We sold over (100) dinners which is nearly triple from last year. We couldn't have done it without the help from Carol Smith and her crew. Thanks Carol, Gary and Laura Longmuir and Frank Furnari. We had solid social media presence thanks to Casey Fillion and Wendy Campbell, I appreciate your help in letting everyone know. The overwhelming numbers show that it worked, thank you. Oh, and thanks to Rick Campbell for his sage advice, lighting the grill and keeping me on my toes! I think Rick should be the MC for future years to come, his voice carries much better on the mic. We also had live music provided from the bar, thanks to Barb Johnson for bringing in Mike Scott to give us some tunes. And a big shout out to our bar staff, the girls served ice cold drinks for hours on end to well over a hundred people without breaking a sweat.

I'd like to thank our Race Committee for all their help in planning, organizing, proof reading, RC boat handling and scoring the event. Thanks to Garry Griffith, Dan Montgomery, Dave Ryan, Charlie Simons and Lea Markowski.

One more thank you, to Mother Nature. This was the best wind we have had in a long time. It really helps to have everything come together and have good wind. I plan on hosting this race a few weeks before our regatta every year and hope that Mother Nature cooperates as well.

Here are the results:

- 1st Place PHRF Overall - Tim Andrews from NCYC on his Hobie 33 named HOLY TOLEDO!
- 2nd Place PHRF A - Jeff Mackay from NCYC on WIZARD
- 3rd Place PHRF A - Matthew Shaedler from NCYC on Blitzkrieg
- 1st Place PHRF B - Roger Stark from NCYC/TIYC on Abracadabra
- 2nd Place PHRF B - Matt Kern from NCYC/JRSC on Discover
- 3rd Place PHRF B - David Zoll from NCYC/TIYC - crewed by our very own Sail Fleet Captain, Garry Griffith
- 1st Place JAM A - Tim Branson from TIYC on JAGEN
- 2nd Place JAM A - Rodger Dutton from MBC on Whitestar
- 3rd Place JAM A - Bill Pribe from NCYC on Wing Jammer
- 1st Place JAM B - Jim Herold from TIYC on Hillbilly Deluxe
- 2nd Place JAM B - Jim Davis from NCYC on Orange Crate
- 3rd Place JAM B - John Greiner from NCYC on Red Cloud
- 1st Place JAM C - Phil Fry from JRSC on Bay Tripper
- 2nd Place JAM C - Charlie Simons on One Let Up
- 3rd Place JAM C - Joe Snyder on Pokey

Again, thanks to everyone for their help and participation whether you were an organizer, racer, worker or came to have dinner. Each and everyone one of you are responsible for making this year a great success! Let's see how big we can make it in 2020!!
