\* MONROE BOAT CLUB \*

July 2019

## Club Commodore – Jeff Morrow

Barb and I went on a Fun Run with LEOPA on June 22nd that started at Detroit Beach Boat Clubs Luau, then to Monroe Boat Club for Bloody Mary's and Mimosa Bar, Lunch at Clam Diggers and then onto Swan Boat Club (what a welcome). We ended up back at DBBC. What a nice ride.

MBC had another wonderful Memorial Day Service. Other Board members and I (Rear Barb Johnson, Secretary Kay Sisung, P/C Dave Ryan, Vice Fred Hoitash and P/C Dan Thomas) made the trip to Detroit Beach Boat Club's service and Swan Boat Club's service. I feel ours is still the best.

Get your Regatta work hours in and sign up now . A member of Monroe Boat Club has approached me about a patio off the bar that does not block our view of our docks, he has donated the money to have some drawings done so we have a starting point to view (looking for open minds). I have advised the Board of the preliminary

## Vice Commodore – Fred Hoitash

The regattas and receptions have started. Celeste and I attended the first AYC poker run at Toledo Sailing Club by car. We also attended the Toledo Yacht Club regatta, their first in 35 years. At the time of publication, we will be at Kelly's Island, participating in one of MBC's club cruises. This may be the only one we can get to this year with all the other activities around the AYC clubs. Even though the second AYC poker run is scheduled for the same weekend, we've decided to support MBC's club activity. Please support MBC and AYC events this summer. People spend hours planning these events for you to enjoy. I extend a great big THANK YOU to the MBC Association for putting in the environmental Career Days programs on 05-06 June. MBC received some great publicity in the Monroe News with two articles and pictures on the first page of the 08 June edition.

Unfortunately, the Shotz on the Dock party was cancelled for the end of June due to the all too common easterly winds causing potentially high water and bad weather. After years of waiting for the T docks to respond to the original challenge from the Banana docks, we're still in suspense. We look forward to the newly scheduled time in August or September.

I'm currently reading "The Gilded Age, a Tale of Today", by Mark Twain, written about the 1850 to 1900 era. There is a section of the book where the author makes several satirical statements about the weather in Washington DC. Today we can make the same statement about our weather. 150 years later and nothing has changed.

Attention ALL members-the signup sheets for the regatta are posted in the hallway. This is our big party and fundraiser for MBC and our Commodore Jeff. You know that MBC has a reputation for putting on great parties. We've got two great bands, wonderful food, and lots of other activities planned for the weekend. We should have a great crowd, creating a perfect way for this club and its members to

plan and will be going to House committee when drawings are ready. I am hoping we can do this with minimal cost to the Club. I believe between donations and club members that have the different talents needed to complete an addition to enhance the beauty of our Club, this is a very doable project. I feel very fortunate to be a member of our Club and all its attributes.

The Boat Club Board and I have decided to move the Board and General meetings to the 3rd Monday of each month (this month - July 15th). This was done to accommodate more attendance of board and club members. I look forward to navigating our meetings thru smooth sailing all of 2019. I will be looking for solutions from members not problems. It is our Club; change can be good. Please respect our Board members as we are all volunteers. Remember to look at our website calendar at [www.monroeboatclub.org](http://www.monroeboatclub.org). MBC, the Friendliest Club on Lake Erie.

shine. We need your help to make all this happen so please sign up early. Remember that the parking lot closes to ALL parking at midnight Tuesday night, 23 July. We will be sending out email reminders and posting reminders in July.

I've been chairing Burgers in June to raise money for a new perimeter lock system for the four outside doors at our clubhouse. With your support again in August, we should have over a third of the money raised for the system. I'm asking all of the other sub entities to consider what they may be able to contribute to the support of this system. We will be talking. The goal should be the membership approve, and funding secured, we would like to install the system so that the new membership card would also be their key card.

The MBC/DBBC cardboard boat race challenge is Saturday, 06 July at DBBC. The rules are simple and can be downloaded from <https://maricorpus.com/cardboat-boat-racing-rules-regulations/>. Please consider entering a boat and/or coming to support MBC in

## **Rear Commodore – Barb Johnson**

Greetings Fellow Members.

I am going to knock on wood, but I think Summer finally showed up. Now all we have to do is get the lake levels to subside a bit. June was a busy month around the club and July looks to be following in the same path. Unfortunately, we have had to cancel cornhole due to so much rain, hopefully that is behind us. Shots on the Dock was also cancelled due to "mother nature" not cooperating. The Blood Mary and Mimosa Bar were scaled back to every other week but seems to be a big hit. Now that summer has arrived, the bar will be opening at 10:00 a.m. on the weekends starting

## **Power Fleet Capt. – Dan Martin**

Hello Monroe Boat Club Members. Over the last 30 days much has happened. MBC had Detroit Beach Boat Club into the club for their shakedown power boat run. MBC put on a good reception for them by having live music and food. In return they stayed for many hours supporting our bar operations. MBC did an outbound shakedown to DBBC and they treaded us well too. We had 8 boats and 40 people participate.

In the month of June Lady Gina and I were invited to go Swan Boat Club Commodore Ball. It was a nice event and gave us a chance to socialize and see some old friends.

The AYC poker runs have started and the first run/regatta was at Toledo Sail Club. Too much fun was had. We hung out with many friends and partied on fellow AYC member boats until 2:00 AM. A big feature of this event was the \$1.98 beauty contest. NO PICTURES ALLOWED, just saying. The Commodore from Bay View Yacht Club won, and he earned it. Gina and I attended the reception and they decorated their club nice along with providing a good meal.

On a negative note our overall club participation at TSC regatta was poor. MBC is a great club with much to offer. That's a fact. As a well-rounded boat club, I have to encourage the membership to leave

## **Sail Fleet Capt. – Garry Griffith**

Now that Summer has officially arrived...hopefully the Spring Showers and East Winds will cease and allow folks to get out on the lake more often. None the less, conditions on Tuesday nights so far this season have been very enjoyable, and the tacos served up after the race have been a big hit with sailors and non-sailors alike. Eighteen boats are registered for the Midweek Spring Series – five spinnaker, ten jib and main and three cruising class boats. The Summer Series begins July 16th. Any individuals wishing to ride along on a boat that is racing on Tuesday Night should contact me. There are always open spots on sailboats...everyone from complete beginners to more advanced sailors...and we can help set you up with the opportunity.

Sail Fleet is also looking for power boaters who are interested in volunteering for Committee Boat, particularly during the weekend sail races. The Committee Boat coordinates the start of the race and

their challenge. This is a combined fund raiser for the Vice Commodores of MBC and DBBC.

For several years the Vice Commodore has hosted a steak/chicken dinner for all members, and Auxiliary members that have 40 or more work hours for the year. Yes, I know that the requirement is 10 hours, but let's just consider that a minimum to keep your membership. So, all members who contribute 40 or more hours by 8/31 will receive a thank you and invitation to the dinner that is scheduled for 21 September.

So, sign up for regatta work hours. There is no end to the ways you can contribute. Get your 40 hours in so you and your spouse can enjoy a nice dinner on MBC. Is it an elite club or clique, you ask? It's up to you to find out. See you on the water!

immediately. On Bloody Mary Sundays we will still be opening at 9:30 a.m. Please watch the monitors in the bar for updates. LEOPA came in for a "fun run" it was great seeing all the go-fast boats. Regatta is just around the corner and we are gearing up for that. Sign-up sheets are in the hallway, please get involved. The club runs on volunteer workers and we need ALL of you to make it a success. Katie and Jordan will be playing in the bar or on the patio (weather permitting) July 21st, come on out and listen to some great music. Thank you to all my helpers the last few weeks, I truly appreciate every one of you and your help! Until next time, here's to a great Regatta!

Cheers!

Bolles Harbor from time to time and promote our club by visiting and participating in other clubs' activities. What goes around comes around. That being said the please come by car or boat the next round of AYC Poker Run/Regattas. The regatta schedule is posted in the club. Your membership in MBC allows you at visit by car or boat other AYC and I-LYA clubs. They all have food, drinks and friendship to offer and if we want to better our clubhouse, we need to visit their clubs too. Gina, me and some fellow MBC members visited BVYC, DBBC, EMBC, FYC, GIYC, PPBC, SeBC, SSBC, TSYC and RVYC in June.

The MBC Power Fleet bank account needs to raise about \$1000.00 to leave it in good standing. During MBC Regatta the Power Fleet will be selling pizza during the night and we are also thinking about selling a wagon of cheer. I will need help to sell pizza and shake down people for cheer tickets. There will be a sign-up sheet and I will be generous with giving work hours.

For 2020 we I feel we need a good succession plan. Please contact me and volunteer to become the next MBC Power Fleet Captain. Learn now the challenges, fun and benefits of leadership in the club. Expand your horizon and be part of the big picture.

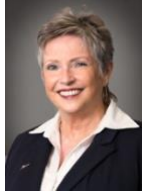

records times. The first MBC weekend race of the season is the Race for the Sisters on July 13th. Contact Troy Willett if you are interested in volunteering.

The second Joint Fleet Cruise of the season is scheduled for Kelleys Island Seaway Marina on June 28 – 30. Eight boats had signed up as of June 21st. Just a reminder that signup sheets are posted 30 days in advance of all Cruises. As customary the Sail Fleet will sponsor a cruise to the Toledo Harbor Light followed by a pot-luck dinner during the July 4th weekend. More details to follow.

MBC was well represented at the 2019 Mills Trophy race held June 7th. Dan Sadoski won the President Trophy, Steve Snare and Fritz Peterson placed 1st and 2nd, respectively, in the Double Handed Class, and Rodger Dutton and Dave Ryan each placed 5th in their respective classes. Congratulations to all!

## Dock Master – Brian Manor

Now that summer has finally arrived, I hope everyone is enjoying their boating season. I only have a few things to report. First, please be careful on the docks during the high waters we have been experiencing. As you all know the water has been coming over the main T quite often. I would appreciate it if you could clean off the main docks near your boat when this happens.

## Auxiliary – Jody Thatcher

Hello from the Auxiliary: Summer has arrived, and boating season is on it's way with just a slight adjustment in the weather. The Auxiliary is gearing up for our Regatta. We are raffling off a LG 4K UHD 55"TV with all the bells and whistles, at \$5.00 a ticket on both Friday and Saturday nights of the regatta.

You do not have to be present to win. What a great chance to win an excellent TV. There will be a sign-up sheet posted in the corridor for those who would like to sell tv tickets and earn your work hours. The Ship Store also will be set up outside during the regatta between 5:00 P.M. and 9:00P.M. There will be a sign-up sheet in the corridor for those would be interested in working the Ship Store and earning

Second, there are signup sheets in the hallway of the club for regatta. Any help would be appreciated. Lastly, if you wish to have your boat at the club during regatta, it needs to be in your dock by Thursday July 24th at 2:00pm. After that it will be assumed it will be available for guests.

Have a safe boating season!

their work hours. The Ship Store is also available every day for you to come in and shop around. There is a key behind the bar. We ask that when purchasing an item please give the sales ticket along with your money to the person attending the bar. Thank You. Judy Peterson and Sharon Bagley have done a great job in purchasing new items for the Ship Store. Come on in and take a look. Thank you, ladies, for a great job. Anyone who is interested in joining the Auxiliary we will be taking applications throughout the summer. Don't forget to mark your calendar for the August 10th steak roast and Name That Tune. Have a great summer and enjoy your club. See you at the club.

## CCEC Update – Charlotte Neuhauser

### ACTIVITIES

- July 10, 12:00, MBC Book Club
- July 26-27, CCEC Used Book, DVD, Games Sale
- July 27, 9:45-11:30 Kids Fishing Derby
- July 27, 12:30 Annual 600 Kayak Race

### MBC CCEC NEWS

**MBC Book Club.** Judy Peterson reports, "The MBC Book Club met on June 5. We discussed the book selection, A Man Called Ove by Fredrik Backman, which was made into a movie and is currently available on DVD. Most attendees thought it was a **very** good book, and highly recommend it.

We have decided to do a "Reader's Choice" for our July 10, 2019 meeting. (Please note date change due to the July 4 holiday.) This gives us all a chance to catch up on books we want to read. Just bring a quick summary and opinion of your selection.

**Used Book, DVDs, Games Sale...**Don't miss the Regatta weekend, July 26-27, sale! Yes, many of us read books on our ipads or smartphones, but there are some times when it feels nice to hold a hard copy of a book. There will be a collection of biographies,

such as The Price of Power: Kissinger in the Nixon White House by Seymour Hersh and Steve Jobs by Walter Isaacson, and the CD The Jungle Book. There will also be some books on leadership and project management, especially appropriate for our pre-retirement members. If you wish to donate books, DVDs, games, please drop them off on Friday, July 26, before 3:00 pm at the booth. Then stop by the booth...take a look—you might find something interesting!

**Have you ever tried Geocaching?** It's a wonderful "sport" for every age. It is a real-world, outdoor treasure hunting game using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location. Geocaches can be found all over the world. It is common for geocachers to hide caches in locations that are important to them, reflecting a special interest or skill of the cache owner. These locations can be quite diverse. They may be at your local park, at the end of a long hike, underwater or on the side of a city street.

In celebration of the Michigan State Parks Centennial, in partnership with Michigan Geocaching Organization ([www.mi-geocaching.org](http://www.mi-geocaching.org)),

100 new caches have been placed in Michigan's state parks. All you need to do is download the app to your smartphone (or coordinates to your GPS), download a GeoTour ticket and you're ready to begin your searching. Once you find a certain number of caches, you can earn rewards. Of course, you can search for the caches without participating in the GeoTour.

Look at the international site, <https://www.geocaching.com/guide/>, for sites around Monroe, Put-in-Bay, Canada locations, Italy, Germany, and other cities, states, and countries. At its simplest level, geocaching requires these 8 steps:

1. Register for a free Basic Membership.
2. Visit the "Hide & Seek a Cache" page.
3. Enter your postal code and click "search."
4. Choose any geocache from the list and click on its name.
5. Enter the coordinates of the geocache into your GPS device or download to your smartphone.
6. Use your device to assist you in finding the hidden geocache.
7. Sign the logbook in the container at the site and return the geocache to its original location.

You may wish to share your geocaching stories and photos online or not. It's a lot of fun just to find the cache. There are many other levels to the game. Read the guide to learn more! The general rules of geocaching are listed on the website. If you take something from the cache, leave something of equal or greater value. Write about your find in the cache logbook.

Log your experience at [www.geocaching.com](http://www.geocaching.com). What about a family competition of geocaching around Monroe and Bolles Harbor Saturday afternoon of Regatta weekend after the kayak race?

**Fireworks-Free Fourth...**The DNR and the Michigan Veterans Affairs Agency are highlighting quieter camping options over the Fourth of July. Veterans, pet owners and other visitors can find camping options situated in campground locations that are farther away from traditional fireworks displays. To locate the participating camping areas, go to [https://www.michigan.gov/dnr/0,4570,7-350-79133\\_79205\\_84947--,00.html](https://www.michigan.gov/dnr/0,4570,7-350-79133_79205_84947--,00.html)

## **MBC-A (501c3) Update**

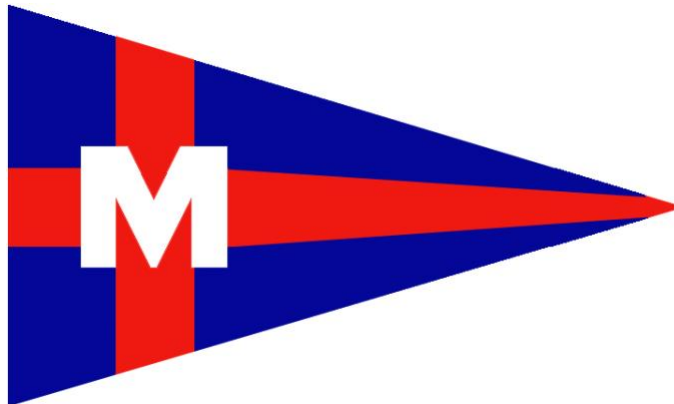

**MBC-A 600 Race**...On July 27 at 12:30 the first round of the race will begin. You may have wondered why it's called the "600" race? The course is 600 yards, from one end of the MBC property to the other end and return. Even though this race is focused on kayaks as the means, any human-powered vehicle is welcome. Bring your kayaks or borrow a kayak and join the fun. Try out the sport! And besides, it's good for your health!

**Kids Fishing Derby**...The Saturday morning event of Regatta is fishing for the kids, 5-12 years. It will be held at the Knabusch Math/Science Center (across the creek from MBC) with registration at 9:45, a workshop 10-10:15, fishing 10:15-11:30, and awards 11:45. Bring your kids, grandkids, and neighbors. It's a free fishing day for the kids and co-sponsored with the Monroe County Intermediate School District and the Department of Natural Resources. The children must wear life jackets, supply their own poles, and be accompanied by an adult. Bait will be provided by Anglers Landing.

**Kids Loved the Environmental Career Day.** 104 7th graders loved the two days. A principal of one of the Monroe elementary schools told me her son participated in the event and couldn't stop talking about it for several days. We had decent weather the first day, not so much the second. Sitting on the boats in dock or going upstream was fun and informative almost as much as going out on the lake. Most of these kids had never seen Lake Erie nor ridden on a boat so everything was a new learning experience. From the assessment at the end of the two days, the no student scored less than a C on a

question covering content, and on some questions, 98.7% of the students got the questions correct. We had tremendous assistance from the boat captains and co-captains, walkers, and lunch helpers. Our special thank-you's go to *Rob Adkins, Kelly and Greg Arndt, Ray and Pat Barker, Don Blouin, Rick and Wendy Campbell, Fred Hoitash, William Huntley, Chuck Kresbach, Jerry Lalonde, Jeff McKeever, Betty and Ron Miller, Jeff Morrow, Fritz Peterson, John Peterson, Dave Ryan, Nicole Shaughnessey, and Barbara Valmassai*. You were wonderful, patient, and great teachers for the kids.

**amazon smile** Just a reminder! When you order from Amazon, you can have a percentage of your purchase donated to MBC Association!!! All you have to do is sign up! It's painless! And it is an easy way for MBC-A to receive some much needed \$\$\$ for the projects we're offering. The way it works is that once you sign up at <http://smile.amazon.com> and indicate MBC Association as your charity, Amazon will give 0.5% of the purchase price for each item to MBC-A by depositing it directly into MBC-A's bank account. It does not add to the cost of the item you're purchasing, but it is taken from the purchase price that Amazon receives. The Amazon items and purchase prices are the same as for those you don't purchase through Smile. When signing in to Amazon, simply use the following link <http://smile.amazon.com> to purchase your items. Make sure you are using our charity by clicking on **MBC Association** within the Amazon site.

## 2019 Sisters Race

Dear members, please join us for the 52nd Annual Sisters Race hosted by MBC! The race is being held Saturday July 13th starting at 10am with festivities to follow in the afternoon. After the race we will be holding a Grill-your-own-Steak Roast (or chicken) on the BBQ. The awards ceremony will be held shortly after dinner. All are welcome to join in, have some food, listen to the stories and enjoy the comradery of the members. Want to join a boat in the race? Just ask! Want to earn work hours by assisting with the Race Committee? No problem! Want to bring appetizers and salads to the party? By all means! If you are interested in learning more about the event, contact Troy Willett, [twillett76@yahoo.com](mailto:twillett76@yahoo.com) or at 989.710.7888. Carol Smith will be coordinating the food preparations and will be seeking help as well. Look for sign-up sheets to be posted around the club and let us know if you want to sign up to get a steak, chicken and/or if you want to contribute to the event by donating your time or culinary expertise.
