Commodore – Ron Soto

Dear Santa, All I want for Christmas is one hell of a regatta. Well Santa didn't disappoint! Wow! So July kind of went like this for Lady Trish and I, with seven Commodores receptions beginning at Swan Boat Club, Ottawa River Yacht Club, Elba Mar Boat Club,

Perrysburg Boat Club (in their beautiful new Club house), River View Yacht Club, Nugents Canal Yacht Club and our very own Monroe Boat Club. And I'll start with thank you to Santa Keith Makela for the Santa appearance!

All members of the Board were all hands on deck beginning with Vice Commodore Dustin Diehl. You and your crew were great, and everything was set up as we planned. Terrific job! Rear Commodore P/C Fred Hoitash and his crew did a wonderful job of keeping the libations going along with a surprise reappearance of some our bartenders from Christmas past! Very enjoyable to see them back in action at the club. Power Fleet Captain Tony Schippa kept all our AYC power Fleet in check even before they arrived. Sail Fleet Captain Dan Montgomery with the support of elf Martie Reed and John Davis and helpers did a fabulous job with the breakfasts! Dock Master Dave Volker with the senior assistant Dennis Lamb could not have done a better job along with their assistants. They geometrically arranged all the boats in the Harbor. Financial Secretary Lance Piedmonte and Treasurer Fabrizio Biundo were behind the scenes in the club vault! A huge thank you to my board for your support! The Christmas theme in the Harbor with all of the displays was a sight to behold!

The Auxiliary, Shawna Powell and her crew were out of this world providing endless portions of food for all to be had. Based on the traffic back up that resembled I-75, I was concerned that we would run out of food...that was not the case! Simply amazing and the best spread so far this season according to the many that enjoyed!

Jody Thatcher, my interior director along with her daughters Kelly and Stacy did not disappoint. You totally blew Lady Trish and I away with your decorations and the perfect choice of our Class of 22

colors. We're forever in debt to all of you and thank you!! Jim Alban knocked it out of the park with the auction this year by clearing the bases in the bottom of the 9th with a grand slam!! Never before had we raised so much money for the auction! Your contract has been extended!! Jaimie Dumas and Bob, thank you for your help in raising money for the basket of cheer. It is very much appreciated! To the kitchen crews, phenomenal dinners both Friday and Saturday night. Chris Johnson and Art Richardson and their crew sold over 200 walleye dinners and ran out Friday by 8:00. Jeff Morrow and Lady Barb, Jeff McKeever and Cindy Trendle along with their crews also did a great job of putting the food out there on Saturday, that was a lot of moo!

Nicole Kachar, you were outstanding in your efforts to raise money through advertising! So much so that I've received requests inquiring as to how we do it! Thank you!!

And last but NOT least, to all of our members who stepped up to the plate to help with the regatta either by being all inclusive with help or simply by showing your support by being at our biggest fund raiser of the year, THANK YOU!! This is what makes me so proud to be a member of THE MONROE BOAT CLUB! Your support is invaluable!

I hope I didn't leave out any thank you's, but if I did it was not intentional rather, I am human and can forget things. I always mean well.

Keep in mind that we are now into August which means September is right around the corner for the nomination of officers for the board. Please make it a point to attend the September meeting and put some feelers out there to members that would like to help move the club forward. Of course, it's time consuming, but the gratification that comes out of a job that you helped make happen is undeniable. Give, Volunteer and help make a difference. If you have any questions, you may ask any officer what their position entails, or ask Board Director P/C David Ryan, who is the nomination Committee chair.

Thank you all and Santa for a great July!

Vice Commodore – Dustin Diehl

Hello MBC,

I would like to thank everyone who helped and participated to make our Regatta a success. I hope everyone had a good time. Burger Nights in August will be chaired by P/C Dan Martin and Carol Smith. There are several events that are planned throughout the year. All current "planned

Rear Commodore – Fred Hoitash

Congratulations and thank you to the entire membership on a fun and successful regatta. I especially want to thank our bartenders and all the volunteers that helped during the event. This was a well-attended AYC poker run and took extra effort from all the volunteers for both time and supplies. To those MBC volunteers, THANK YOU. It was a privilege and honor to work with so many good people during this event and throughout this year. During the set up and clean up periods, I would start on something, and someone would show up and offer a hand. I think this is the key reason that this regatta was so successful. You are the life blood of this organization. A special thanks to Jeff and Jamie Dumas, with a little help from Carol Smith, for cleaning the carpet in the bar right after regatta. Jeff took some time from the final days of his vacation to get the job done.

What about that new footprint for the tents and food? Thank you, V/C Dustin, for making the change, and I hope this becomes the new standard set up for the next several years. I had many compliments on the layout, food and decorations. P/C Dan Thomas is going to change the drawings for future year's permit and license applications. It's always a good thing when the entire event comes off well. However, I and the Board would truly welcome any legitimate complaints about the event. We can all learn by listening to others.

Speaking of decorations, Past Auxiliary President Jody Thatcher, her daughter and bartender extraordinaire Kelly Butler, and their crew decorated the bar and banquet room for the event. It was really Christmas in July based on the decorations. I think our Commodore's reception, put on by the Auxiliary, was the best so far this year! We packed the house with visiting clubs. What a

Power Fleet Capt. – Tony Schippa

Well, another Regatta in the books. I would like to thank all the members who volunteered their time for this year's event. A big thank you to the members who moved their boats to accommodate all the AYC guests we had over the week.

I would like to hear from you

- 1) What did you like the most
- 2) What did you like the least
- 3) How can we make it better

We have two more poker runs for the class of 2022. They are.....

- 08/12 - 08/13 - Toledo Yacht Club
- 08/26 - 08/27 - SunSeekers Boat Club

As always , if you attend these poker runs by car or boat , make sure to sign the AYC book.

Congratulations to Rich Potcova for taking first place with the best decorated boat contest. I would like to thank everyone who took part in decorating their boats, the harbor looked beautiful.

events" have been loaded into the MBC calendar. Most events have been posted on the MBC Facebook page also. There are a lot of opportunities to help your Club and get your work hours in. Let me know if you're interested.

wonderful way to thank Commodore Ron Soto for his leadership this year. Monroe Boat Club just keeps setting the bar higher and higher.

Now that regatta is behind us it is time to start looking toward next year. We are still looking for a Commodore. I will begin working with the nominee for Rear Commodore in October. I plan to continue to support the Rear Commodore through the transition and continue to act as an assistant as long as needed. For me personally, this term was a great opportunity to round out the 15 plus years of restaurant and event planning experience I've had in the past. Of course, when you throw in the aspects of managing in a non-profit, everything changes. We will continue to try new things, different lunches, music, and special beers through the end of this term, and hopefully beyond.

We are planning a couple of outside lunch picnics like we had a few years ago for the last summer months. A member fun day. We'll have music and cornhole for entertainment. Hot dogs and hamburgers on the grill, with potato salad or cole slaw will be sold for lunch. If I can get them on the schedule, I have a great duet that plays blues, folk, Irish, rock, and some of their own songs for September. Keep an eye on the calendar. The first outdoor member picnic is scheduled for 1230 to 330PM on Saturday 27 August. We'll plan the September picnic for a Sunday afternoon.

Again, the bar staff and I can't thank you enough for all the support you have provided over the summer months. We are excited about the events planned for the rest of the summer to help you enjoy the club.

"It's the game of life. Do I win or do I lose? One day they're gonna shut the game down. I gotta have as much fun and go around the board as many times as I can before it's my turn to leave." *Tupac Shakur*

I was one of the judges for the AYC fleet captains Christmas in July contest. The winners were

- 1st place Ryan Raetzel DBBC
- 2nd place Crystal Plaza TYC
- 3rd place Shannon Price FYC

This year's AYC poker run by the numbers

- 581 people.
- 92 boats.
- 1967 miles in total to our club. I want to thank all again for a great weekend.

I will need help building a cardboard boat for this years fleet Captains race in Aug at SunSeekers Regatta, last year I took 3rd place I will need card board and duct tape.

We will be having club rendezvous to

- Harbor View Yacht Club - 09/17 - 09/218

This will also be the weekend of the AYC golf outing. They will be providing transportation from the club to the golf course, at this time

I believe we already have two teams signed up. Last year we had a blast so come by power or sail they can accommodate both.

As we start to look forward to the club events for 2023, we will be looking for members to join committees to help plan the events for MBC. The first group I'll be looking for is the 2023 AYC Ball. our

Sail Fleet Capt. – Dan Montgomery

The 2022 MBC Regatta is now over, and it was a terrific event this year. We hosted many visitors from other clubs as well as people from the surrounding neighborhoods. Thank you to all of our club members who volunteered their time to make this event memorable. The MBC Sail Fleet once again provided incredible breakfasts on the Saturday and Sunday mornings. A special thanks to Martie Reed who coordinated, shopped, and even helped cook for the breakfasts again, as well as the team of helpers that put in many hours to make the breakfasts so nice.

The 55th annual running of the MBC Sisters Race was held on Saturday, July 16th. Light to moderate shifting winds made for a challenging race, where the strategy of finding areas of better wind on the racecourse played a huge part. A cookout and awards ceremony took place later that afternoon at the club. In the PHRF Class, Matt Kern's Discover (NCYC; JRSC) took 1st place for the overall trophy, with David Branson's Bullet (NCYC) taking 2nd, and

Dock Master – Dave Volker

WOW, 200,000+ steps, 135 stairs, and 120 heart rate, but other than that Regatta/Poker run went GREAT! 😊 Official boat count from AYC was 92 visiting boats. This is not including visiting boats from outside of clubs. A big praise from the AYC to our club for our

Regatta/Poker Run. They had a blast!

I would like to give Dennis Lamb a BIG shout out for the tremendous help he gave me this past week. I wore him out, but he stayed with it the whole week. Thank you, Dennis, I learned a lot. Yes, my turn

Auxiliary – Shawna Powell

Hello from Auxiliary!

I want to say thank you to all who helped to make this year's regatta a successful event, I think everyone had a great time. I loved seeing the boats lit up with all the holiday decor! I'd also like to thank everybody that helped me with the Commodore Reception. Jody Thatcher and her crew's decor was second to none! I had so many people who helped by volunteering and donating food, you guys make running these events so much easier. I appreciate each and every one of you!

CCEC Update – Charlotte Neuhauser

ACTIVITIES

- MBC Book Club, August 3, noon
- Atmosphere Weather Sailing Sept. 20-21, banquet room
- Maritime Trades Career Day, September 28, banquet room

NEWS

Book Club: Judy Peterson writes, "The MBC Book Club did not have its meeting in July due to a number of factors that kept most of our members away from the club. So, we will combine the two meetings on Wednesday, August 3. At that time, we will discuss the July book selection, The Maid by Nita Prose, as well as the August selection, Hotel Nantucket by E Hildebrand. We will also be deciding our 2022-2023 meeting schedule. And, several of our members would like to

theme will be super hero "Spiderman". I'll set up a date in Sept to start the planning. This year's goal is to take first place, so get those creative juices flowing!

Have a great time on the water.

the Hickman/Kjoller owned Kashmir (NCYC) took 3rd. In the JAM A Class, Dan Sadoski's Liberty (MBC) took 1st place, finishing just 49 seconds ahead of Jim Davis's Orange Crate (NCYC) in 2nd place. In JAM B Class, Charlie Simon's One Leg Up (MBC) finished in 1st place, with Phil Fry's Bay Tripper (JRSC) finishing 2nd, and Joe Snyder's Pokey (MBC) taking 3rd.

In addition to the Tuesday Night Races every week until the end of August, the MBC Solo Race will be held on Saturday, August 13. For this race, only a single individual is allowed to be onboard each boat, and this person must handle all duties including navigation, sail handling, and helming for the race. On Sunday, August 21, the MBC Ladies Race will be held. For this race, the boat must be helmed by a female at all times, and the boat's crew must be at least 50% female. Details for registration can be found on flyers at the club or on the website noticeofrace.net.

Have a happy and safe boating experience this month!

to pass on. And a thank you to numerous others that gave me help over the week. I had a heck of a team and the AYC saw it in motion.

To all MBC dock holders, please double check your dock lines and power lines to make sure they are the way you like them. We had a few power issues on the Banana, and Main T docks.

Thank you to all MBC members that helped with our Regatta, yes it may have been HOT and hectic at times, but we ALL pulled it off. Nothing but great comments from people I have talked to and heard from. Great job MBC!

It is getting close to that time of year to get your work hours in. For Auxiliary members, work hours are due by September 1st.

Our next Auxiliary meeting will be Monday, September 12th. Nominations for next year's officers will be at this meeting. I've thoroughly enjoyed the last two years and look forward handing the baton to the next President.

Mark your calendars for Sunday, September 18th for Monroe Boat Club's very own fashion show! We will be having some local boutiques and vendors coming to display their goods with opportunities to purchase after the show. More info to come!

try to schedule an outing to see the new movie, "Where the Crawdads Sing".

Everyone is welcome to attend. We have fun discussing books we are reading as a group and some that we have read individually. It's really an MBC lunch with a casual meeting. Please come and join the fun.

Fishing Derby... Hoffman Park on the morning of July 23 was stormy with thunder and raindrops. In spite of this, 15 enthusiastic kids and their parents showed up for the Annual MBC Fishing Derby. Three age groups participated, and in one of the age groups, no fish were caught. As the weather began to clear, six fish showed up and were caught. Face painting was a hit for some children and adults. Prizes

were awarded, even to those who didn't catch anything. Our appreciation goes out to the volunteers: Olga Collino and Rocky May, employees of Consumers Energy, Megan May, Ava Collino, Grace May, Don Blouin, Peggy Hillen, Jamie Obrien, and Dave Ryan. Pictures elsewhere in newsletter.

Atmosphere Weather Sailing Event for 10th Grade Girls. A new pilot event will be offered September 20-21, 8:00-5:00 at Monroe Boat Club and North Cape Yacht Club Sailing School for 15 10th grade girls, selected from Monroe County ISD and Monroe Public High Schools. NOAA is partnering with us to provide the content on the STEM Atmospheric Science (Meteorology) curriculum and NCYC is providing a sailing experience for observation. **IMPORTANT...** If you have daughters or granddaughters who may be interested in investigating the wide variety of atmospheric science meteorology careers (commercial, business, government, military, academia, etc.), please tell them about the program. They will be able to pick up a flyer and application from the principal, counselor, or science teacher at their school. If you are a retired math, science or technology female teacher, we could use you as assistants/mentors. You don't have to know anything about atmosphere or weather. Please call Charlotte at 248.982.8199 or cneuhauser@gmail.com.

MBC-A (501c3) Update

The MBC-Association is the club's 501(c)3 arm, and as a charitable non-profit organization the MBC-A is able to provide programs and resources that are not funded through the club's General Fund.

During the MBC Regatta on Saturday July 23 the MBC-A hosted a **Kids Fishing Derby** for ages 5-13 partnering with the Michigan Department of Natural Resources, Domka Outdoors, Angler's Landing and the MBC Auxiliary.

The location was the Hoffman Fishing Site just down the road from MBC. Kids came with their parents by car, 4-wheeler and several walked from the Regatta. Prizes including trophies, medals and

From the DNR... This is treatment season for many invasive species across the state, and the [NotMISpecies webinar series](#) is focusing on common questions about control and management. Click to get more information.

Citizen Help... The Michigan Department of Agriculture and Rural Development is asking for the public's help by being on the lookout for spotted lanternfly, an invasive insect with the potential to seriously affect Michigan's agriculture and natural resources. This insect feeds on more than 70 different plants including grapes, apples, and hardwood trees. It was first detected in Pennsylvania and now is in Ohio. Dead lanternflies have been found in Michigan in packaging shipped from other states. If you drive to other states, check your car or camping equipment for adults or egg masses. "With the current rate of spread, it is possible spotted lanternfly could reach Michigan at any time," said Miller, the invasive species expert. "Public awareness and reporting are essential to early detection, which provides the opportunity to contain an infestation before it becomes a widespread problem." From late summer to the first hard frost, spotted lanternflies are in their adult stage and easiest to identify. Adults are roughly one inch long. Their folded wings are gray to brown with black spots. Open wings reveal a yellow and black abdomen and bright red hind wings with black spots transitioning to black and white bands at the edge.

fishing kits were awarded to the young anglers for things such as first fish caught, biggest, smallest and many more.

The Auxiliary organized the registration, with Auxiliary Board Member Megan May, Treasurer Olga Collino and their families providing the essential organization. MBC-A's Charlotte Neuhauser and Don Blouin along with Fishing Club head coach Jamie O'Brien ensured the morning ran smoothly.

MBC-A is always looking for volunteers. If a project seems interesting to you, just send an email to Charlotte Neuhauser cneuhauser@gmail.com.

Nominating Committee Message**YOU can help MBC in '23!!**

The Nominating Committee would like to invite each member to consider the possibility of running for an office and serving your fellow members. Yes, it does take a little time and indeed we are all busy. However don't let those things become excuses. MBC is run entirely by volunteers and we need your help.

The rewards from serving as a Club Officer cannot be measured in financial gain or imagined status; yet you will find serving your club is most gratifying. Being elected to office or serving on an active committee affords the opportunity to learn how our organization functions and participate in its progress.

Please take the time to consider these opportunities. Each member of MBC is eligible to run for and hold any office. Any Board member or Past Commodore would be happy to talk with you to learn more about this rewarding experience.

2022-2023 Officer and Board Nominations:

At the September General Membership Meeting, nominations for the slate of officers will be selected. We invite all members to become involved in managing our club and consider serving as an elected Officer. MBC maintains the publication "*Roles and Responsibilities*" describing the duties of each position to assist you in understanding the functions and obligations associated with each elected office.

Don't be bashful or think you can't do this, because YOU CAN! New members and long-time members will both find serving your club to be gratifying and rewarding. Those who have served in the past have no regrets about the time spent as Officers and/or Board members for MBC.

Please contemplate sharing your talents and time to contribute in an essential way to Monroe Boat Club as we approach our 78th year.

Contact any of the Nominating Committee members below about adding YOUR name to the ballot.

What a great thing it is to be part of MBC!
